Socketing Service & Cost

Type of Socketing <i>Does not include the S300 unit</i>	<input type="checkbox"/> S300/S300j with Reliability Upgrade (\$160). Standard shipping cost included. <input type="checkbox"/> S300 with Boost Control and Reliability Upgrade (\$210). <i>Boost solenoid not included.</i> Standard shipping cost included. <input type="checkbox"/> Add Boost Control to already socketed S300 ECU (\$50). <i>Boost solenoid not included.</i> Shipping cost NOT included (\$30). <input type="checkbox"/> Reliability Upgrade - Replace capacitors Only (\$50). Shipping cost NOT included (\$30). <i>The electrolytic capacitors in the ECU have a limited life and when they fail, they often burst, leaking corrosive fluid and burning the circuit board. Hondadata will install 8 high quality replacement capacitors to help protect and extend the life of your OBD1 ECU.</i>
FedEx / UPS Shipping	<input type="checkbox"/> Standard 3-Day or Ground (+\$0, included in cost of socketing) <input type="checkbox"/> Overnight (+\$35) <input type="checkbox"/> International shipping (+\$45)
Order Total for Socketing & Shipping	\$ _____

If your ECU is damaged, would you like us to submit it to an e-waste program or return it back to you?
 Please select below: (If none is checked, your ECU will be automatically recycled)

- E-waste
 I want it shipped back together (+\$30)

If the ECU you send is damaged, you will be notified. There is no guarantee that damage can be successfully repaired. We suggest that your ECU be tested before shipping to Hondadata. Repairs are typically limited to repairing damaged tracks from poor soldering. We do not repair ECUs that give sensor codes.

Liability

Buyer releases Hondadata, Inc. from any liabilities (expressed or implied, arising by law or otherwise) that may occur from the use of products sold by Hondadata, Inc. and purchased by Buyer. Hondadata products are legal in California only for racing vehicles which may never be used, or registered or licensed for use, on a highway. No other applications are intended or implied. The Buyer of this product acknowledges and agrees that Seller disclaims any warranty and expressly disclaims any liability for personal injury or damages or any damages to vehicle or expensed occurred. In the event a manufacturer's warranty exists, it is agreed and stated that under no circumstances shall the seller or manufacture be liable for any labor charged or travel time incurred in diagnosis for defects, removal, or reinstallation of this product, or any contingent expenses. It is the Buyers responsibility to ensure the ECU flash program is not overwritten by anyone, including Honda, or any agent of Honda (including Honda/Acura dealers). Exceeding the factory rev cut rpm may cause engine damage, which may not be covered by any factory warranty.

Please sign and date below to acknowledge that you have been made aware of the fact that the product that you are purchasing may void your vehicle's factory warranty and you have been advised that this product is not EPA/CARB certified and the product is for only for racing vehicles which may never be used, or registered or licensed for use, on a highway. The Buyer will not hold any liability against Hondadata, Inc. and will hold Hondadata, Inc. harmless from any liability as a result of selling, purchasing and/or installing product.
